

Request for Class II Permissive Change

PHIPOL POWER CO LTD.

FCC ID: 2AOVW-GBFDC0011A

To: Office of Engineering Technology
Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046

Please be notified that we, the undersigned, (PHIPOL POWER CO LTD.) declare that the reasons for this Class II permissive change are as below:

As the manufacturers of PCBA and antennas have changed from the original Shenzhen Peida communication equipment Co. LTD was changed to a new manufacturer (Shenzhen Jiechuang Electronic Technology Co., LTD), and the antenna gain was re-tested. The maximum gain was updated from the original (0.55dBi) to a new gain value (0.49dBi). Neither the antenna size nor the related circuits have changed.

Model GBFDC001-2A has replaced the casing. Only the appearance of the keys is different, while the other circuit principles remain the same. For detailed product photos, please refer to the appearance and internal photo files.

Sincerely,

Name: Kelvan Xu
