

FRONT VIEW OF EUT

LEFT SIDE VIEW OF EUT

RIGHT SIDE OF EUT

A photograph of a small, beige, rectangular electronic device, likely a microcontroller or sensor module, resting on a blue textured surface. The device has a black rectangular area on its front face containing two red circular buttons. A small white label with handwritten text is attached to the top of the device. A black ruler with white markings is placed horizontally next to the device, showing measurements in centimeters and millimeters. The ruler is oriented with the 0 mark on the left and the 100 mark on the right. The device is positioned between the 0 and 100 cm marks, approximately at the 45 cm mark.

The image shows a small, beige, rectangular electronic device, likely a portable EMC/RF test instrument, placed next to a ruler for scale. The device has a label with the following text:

EMC/RF
#2
测试样品 (Test Sample)
名称: 无线设备 (名称: 无线设备)
项目编号: SC 521998261
业务: 测试
地址: 测试
测试设备: 测试设备

The ruler is marked in centimeters and millimeters, showing the device is approximately 10 cm long.
