Model: PRK001001 revA

FC IC

eleven-x

IC ID: 22369-PRK001001
FCC ID: 2A0X5PRK001001
Contains IC ID: 24388-A111
Contains FCC ID: 2AQ6KA1001

LoRaWAN

This device complies with Part 15 of the FCC rules.
Operation is subject to the following two conditions:
(1) this device may not cause harmful interference, and
(2) this device must accept any interference received,
including interference that may cause undesired
operation

SN: 70B3B514900E0064
OID: 28AD3BB2939D2F62

Made In Canada

Label Size is 50.8mm x 38.1mm (2"x1.5")

Note that SN (serial number), OID, and QR code are serialized based on CSV file of SN and OID provided by eleven-x.

Location: Label should be placed inside the opening on the bottom of the enclosure, at the time of device assembly, as serial number needs to match PCBA serial number.
