Subject: Request for withholding from public disclosure the schematics, block diagrams, and operational description pursuant to an application for certification for FCC ID 2AOX8-F2700

Gentlemen:

Pursuant to sections 0.457 and 0.459 of CFR 47, we respectfully request permanent confidential treatment of the following Exhibits accompanying this application as:

- e.g. Block Diagram
- e.g. Schematics
- e.g. Operational Description

The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these materials may be harmful to the applicant and provide unjustified benefits to its competitors.

The applicant understands that disclosure of this application and all accompanying documentation will not be made before the date of the Grant for this application.

If you have any questions, please do not hesitate to contact us at (805) 544-9709.

Sincerely,

R Alan Beverly
VP Engineering

Note: Normally schematics, detailed block diagrams, and detailed theories of operation are the only information held confidential. **Internal photographs are only held confidential in certain circumstances where the access to the information isn't available to the end user.** Test reports, cover letters, external photos, ID labels, setup photos, attestation statements, and RF exposure reports will not be held confidential.
