

## Differences Description

We Guangdong Chigo Air Conditioning Co.,Ltd state:

**Product:** Portable Air-Conditioner

**Brand Name:** N/A

**FCC ID:** 2AOY7CP-WF-DL-01

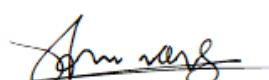

EUT Name	air-condition
EUT Description	The EUT is a Portable Air-conditioner.
Model	CP-30C1A-M20A
Series Model	CP-23C1A-M20A,CP-30C1A-M20A,CP-35C1A-N21A CP-35H1A-N21A,CP-41C1A-N21A,CP-41H1A-N21A , etc.

Model Difference	According to the application description, the difference of the model is that the power of the compressor and enclosure, and thats the electronic part is exactly the same.

The electrical circuit design, layout, components used and internal wiring for above models are identical, According to the application description, the difference of the model is that the power of the compressor and enclosure, and the electronic part is exactly the same.
