

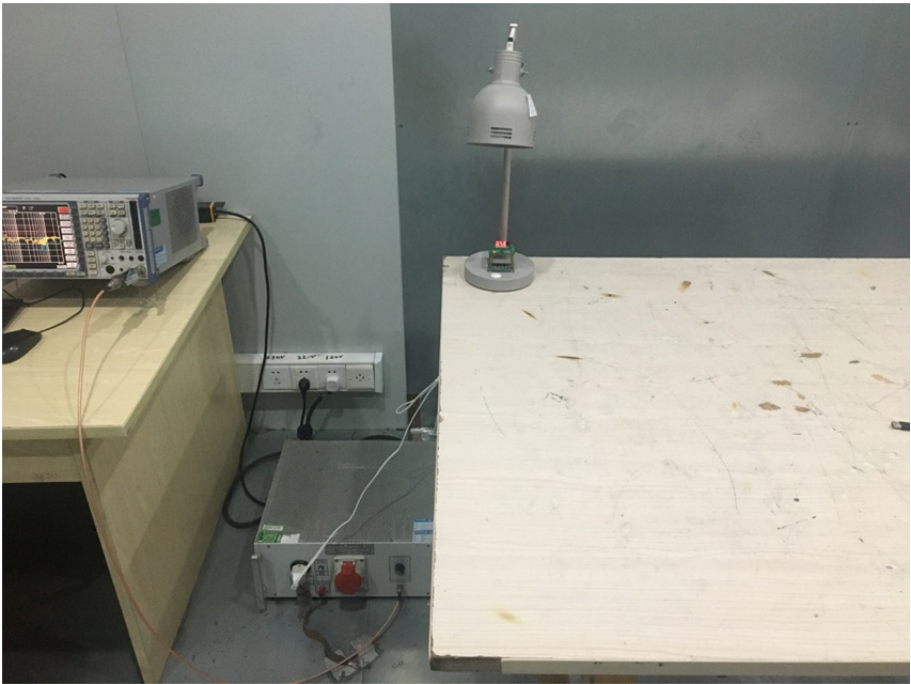

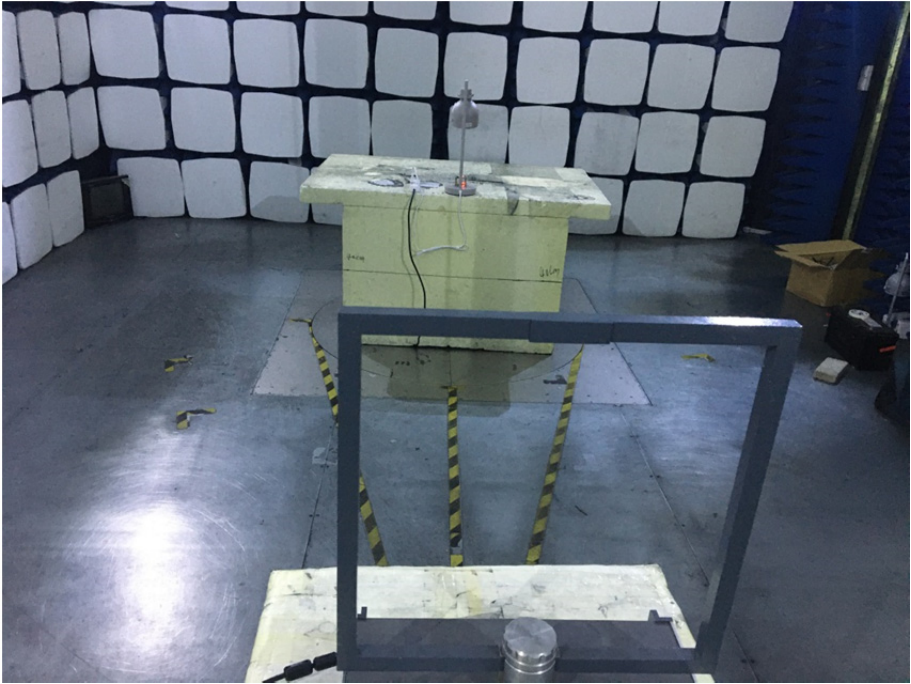

EXHIBIT 4 - TEST SETUP PHOTOGRAPHS

Conducted Emission Test Setup	 A photograph showing a conducted emission test setup. On the left, a wooden desk holds a spectrum analyzer with orange cables connected to it. Below the desk, a power supply unit is visible. To the right, a large, light-colored wooden table stands. A desk lamp is positioned on the table. The background is a plain grey wall.
Radiation Emission View (Below 30MHz)	 A photograph of a radiation emission test setup. The room is lined with white, square-shaped electromagnetic shielding. In the center, a yellow wooden table holds a device being tested, with a probe or antenna positioned above it. A blue metal frame stands in the foreground. The floor is dark and reflective.
