BIBI OFFICIAL LIGHT STICK USER MANUAL

HOW TO INSERT AND REPLACE BATTERIES

1. Turn and open the cap underneath the handle to remove the battery socket.
2. Insert three AAA alkaline batteries in the battery socket as shown.
(Ensure the + and - terminals are facing the right direction. The - terminal should touch the spring, and the + terminal should touch the flat end of the socket.)
3. Insert the battery socket with batteries inside into the product in the direction of the arrow shown and close the cap at the bottom.
(Ensure the battery socket is inserted in the right direction. Inserting it in the wrong direction prevents the light stick from functioning and can cause damage.)

PRECAUTIONS

- Store at room temperature to avoid high temperature or humidity.
- Do not shine the LED light directly into the eyes.
- Product malfunction can be caused by arbitrary disassembly and assembly, shock, or usage near water or fire.
- When changing batteries, use new authentic alkaline AAA batteries. Using other types of batteries (such as manganese batteries) may cause product malfunction or damage.
- Change all 3 batteries when replacing batteries.
- When storing the product, remove the batteries to prevent damage from the battery fluid.
- Keep batteries out of reach of children/infants and dispose of used batteries at the designated disposal site.
- Be sure to check the battery +/- polarity and insert the batteries in the correct polarity direction.
(Incorrect insertion may cause product malfunction, fire, and/or heat burns.)
- If the batteries suddenly become hot, remove the batteries immediately and visit the「Wireless Control Fanlight Support Center」at the concert venue.
- During a concert, if the light stick suddenly loses wireless control or turns red, please replace the batteries (all 3) with new ones as the batteries are discharged.
- Replacing all batteries with new ones before each concert is recommended.
- In rare occasions, radio frequencies and other wireless signals used at concerts may interfere with the product's wireless functions. This is not a product failure.

CUSTOMER SERVICE POLICY

- Please open the product when purchased, and if it is defective, visit the「Wireless Control Fanlight Support Center」at the venue with its receipt.
(Please understand in advance that return and exchange services are not possible after the concert.)
