Modular Approval Request

FCC ID: 2AP85-AJTWBSLIM2

The following attestation addresses the requirements to support modular approval:

| Modular approval requirement | Yes (provide brief statement) | No * |
|---|---|------|
| (a) The radio elements must have the radio frequency circuitry shielded. Physical components and tuning capacitor(s) may be located external to the shield, but must be on the module assembly | According to the internal photos provided by the applicant after the comparison to determine the module in the RF components are covered with sheet metal to meet the requirements. | |
| (b) The module must have buffered modulation/data inputs to ensure that the device will comply with Part 15 requirements with any type of input signal | The EUT has buffered data inputs, it is integrated in chip. | |
| (c) The module must contain power supply regulation on the module | The EUT has its own power supplier regulation , please see the schematic. | |
| (d) The module must contain a permanently attached antenna, or contain a unique antenna connector, and be marketed and operated only with specific antenna(s), per Sections 15.203, 15.204(b), 15.204(c), 15.212(a), 2.929(b) | The EUT meets the FCC antenna requirements. The spurious emission, unique antenna connector and photo of antennas are shown in the test report. | |
| (e) The module must demonstrate compliance in a stand-alone configuration | The EUT was tested in a stand-alone configuration via a test kit. Please see section Photographs of Test Configuration in the test report. | |
| (f) The module must be labelled with its permanently affixed FCC ID label, or use an electronic display (See KDB Publication 784748 about labelling requirements) | Yes, the module has FCC ID Label permanently affixed, please refer to the module label. | |
| (g) The module must comply with all specific rules applicable to the | The EUT is compliant with all applicable FCC rules. Detail | |

| | | |
|---|--|--|
| transmitter. The grantee must provide comprehensive instructions to explain compliance requirements | instructions for maintaining compliance are given in the Users Manual. | |
|---|--|--|

| Modular approval requirement | Yes (provide brief statement) | No * |
|--|--|------|
| (h) The module must comply with RF exposure requirements | The EUT is compliant with all applicable RF exposure requirements. RF Exposure is addressed in the RF exposure exhibition. | |

* Please provide a detailed explanation if the answer is "No."

Yours sincerely,

Name: Stan Lu
