Dear Sir/Madam,

Re: Declaration letter

We, We, **SHENZHEN Handscape Technology Co., Ltd.** hereby declare that our product (**MUJA Smart Touchpad**) Model Number: **MUJA** will disable BT Classics function by software and only open Bluetooth LE function although modular nRF52832 QFAAE support Bluetooth Lower Energy due to marketing purposes. End-user will only use Bluetooth LE in USA and Canadian market.

Should you have any questions or comments regarding this matter, please have my best attention.

Sincerely,
