Inquiry Details on 05/11/2018:	
Prod. Labelling/Manuals & Packing FCC Disclosures*	
Certification FCC ID Label (Prod Labl/Man &Pkg)	
FCC ID sticker	

To whom it may concern

I'm asking for authorization to place the FCC ID on the Sales Package and/or the User Manual instead of the products themselves.

Our products are a bike light and the surface is very small.

The FCC ID will be 2APKS-BLK and 2APKS-BLKCP.

Please, see the product pictures attached for your reference

I'm asking your permission to put the FCC ID in the User Manual and/or the Sales Package, and also permission to put FCC ID to Product Data Label which will be stick to Sales Package.

FCC Response on
05/14/2018:

Yes this is acceptable.
