Dear Madam or Sir,

We would like to confirm the models **M2-W, M1-W,M2,M1**, are same in all respects, the same function, frequency range, modulation method, channel spacing, RF output power, circuit board and external structure. The only difference is the different model names for marketing needs.

Sincerely Yours,

Signature:

A handwritten signature in black ink that reads "Carson Zhang". The signature is written in a cursive, flowing style.

Carson Zhang
