Addressed to: **Federal Communication Commission**
Equipment Authorization and Evaluation Division
7435 Oakland Mills Road
Columbia, MD 21046, USA

Subject: **Change in FCC Identification – Original Grantee Authorization**
FCC Name of Grantee: u-blox AG
FCC Identifier: XPYUBX21BE01

To whom it may concern,

We, **u-blox AG**, manufacturer and grantee of the radio module with the FCC ID **XPYUBX21BE01**, hereby authorize **Symetrical Inc.** (4 Lyberty Way Ste 1, Westford, MA 01886, United States) to apply to the FCC for a change in identification as specified under 47 CFR section 2.933 of the FCC rules.

This authorization applies to the u-blox AG product:

Original FCC Identifier: **XPYUBX21BE01**

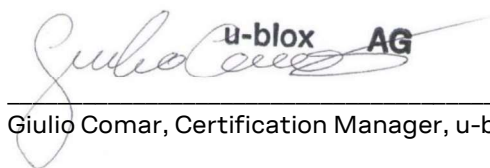

We are aware that **Symetrical Inc.** intends to market the above-mentioned product inside their own product, intended to be used at less than 20 cm from human body and with co-located transmitter operating simultaneously, under their own FCC identification:

New FCC Identifier: **2APOG VERIFINDER0004**

The original test data therefore shall remain applicable, as the supplied product will not differ from the originally authorized product. Our original certification FCC ID **XPYUBX21BE01** remains valid.

We hereby authorize **Symetrical Inc.** to use the exhibits on file of our original authorized product with FCC ID **XPYUBX21BE01** for the FCC certification of their own host product integrating our module under the new FCC ID **2APOG VERIFINDER0004**.

Sincerely,

Giulio Comar, Certification Manager, u-blox AG
