

Subject: Change of Identification Authorization, FCC ID: TFB-1003

Date: October 5, 2018

To Whom It May Concern:

This letter grants authorization for representatives of Opkix, Inc. to apply to the FCC for a change in identification as specified under 47CFR2.933 of the FCC rules.

This authorization applies to Laird Technologies, Inc, FCC ID: TFB-1003.

We are aware that Opkix, Inc. intends to market the above referenced product under their own FCC ID: 2APYM-OPK1. The originally approved model is identical in design and construction to the model that Opkix, Inc. will integrate into their products.

This acknowledgement letter does not grant permission for the FCC, a TCB (Telecommunication Certification Body) or any other entity to provide Opkix, Inc. access to confidential information.

Laird Technologies, Inc. does not take ownership or responsibility for any modifications or changes Opkix, Inc. may have made to Laird Technologies certified module. It is Laird Technologies understanding that Opkix, Inc. plan is to leverage Laird Technologies existing data and confidential documents for a module certification and therefore has taken the necessary ownership for the module and their product certification.

Sincerely,

Thomas T Smith  
Staff Engineer
