

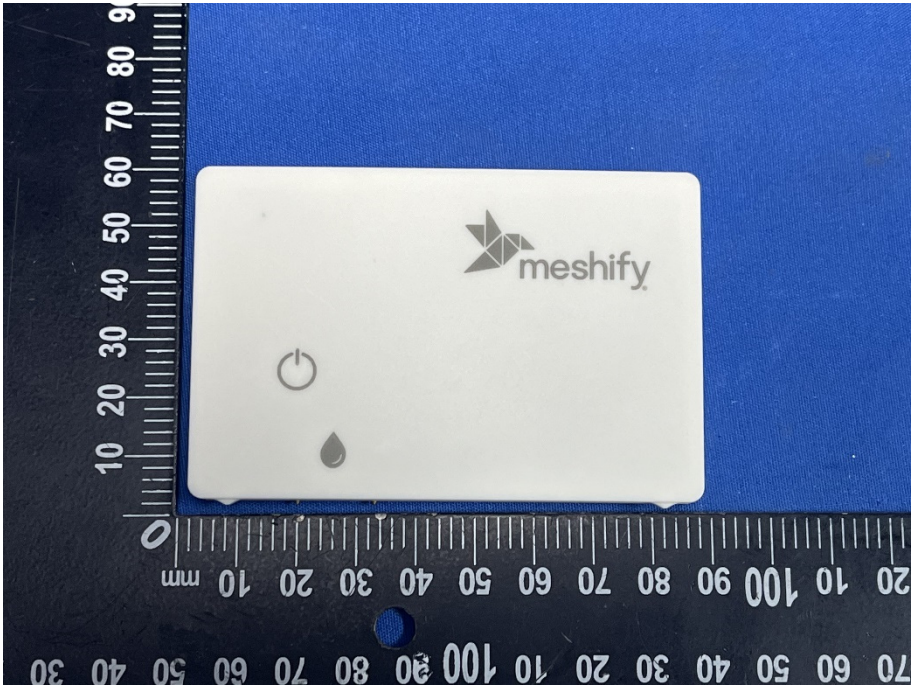

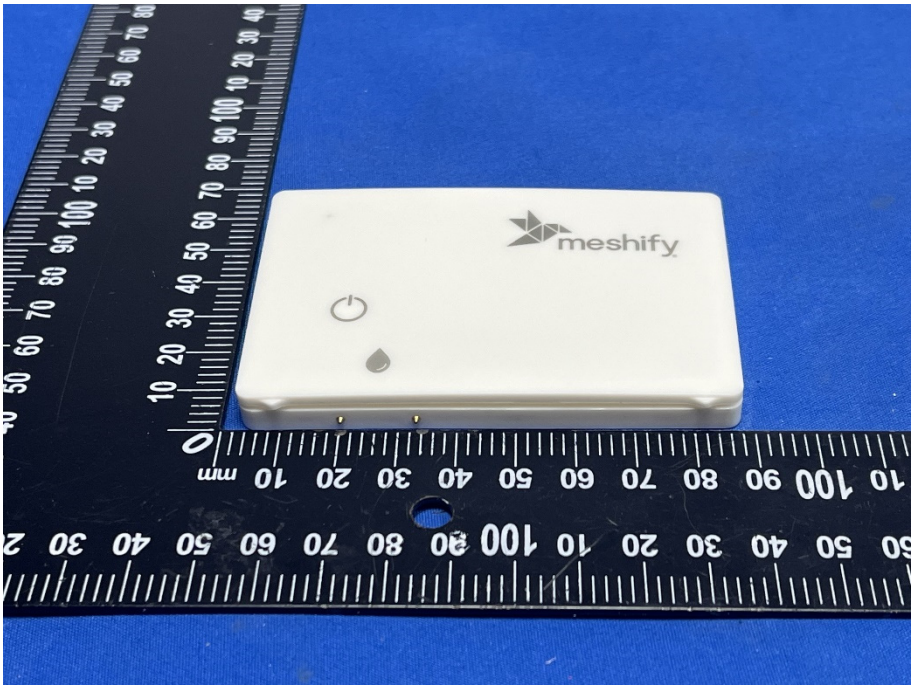

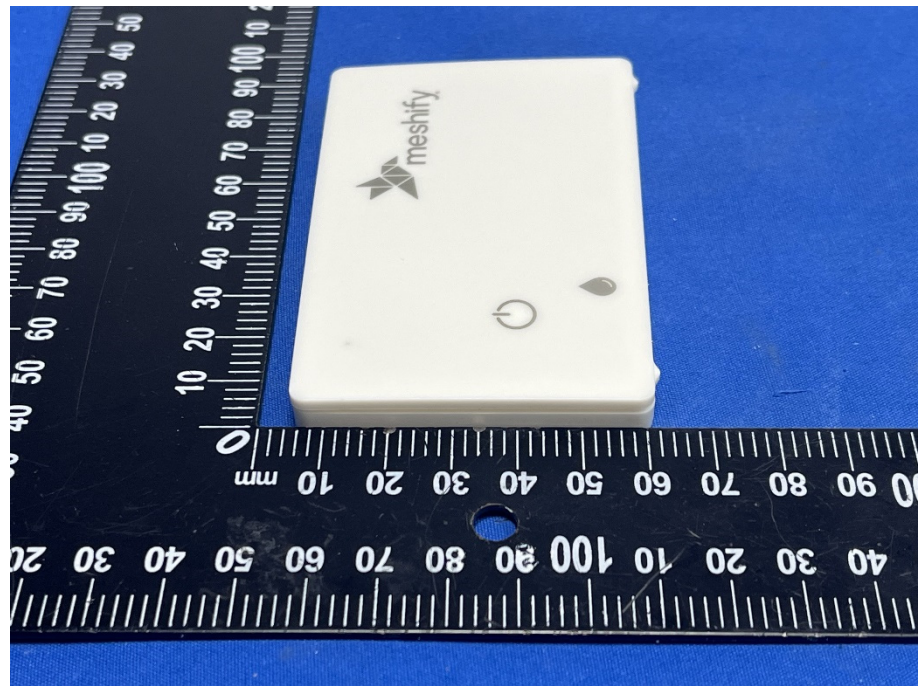

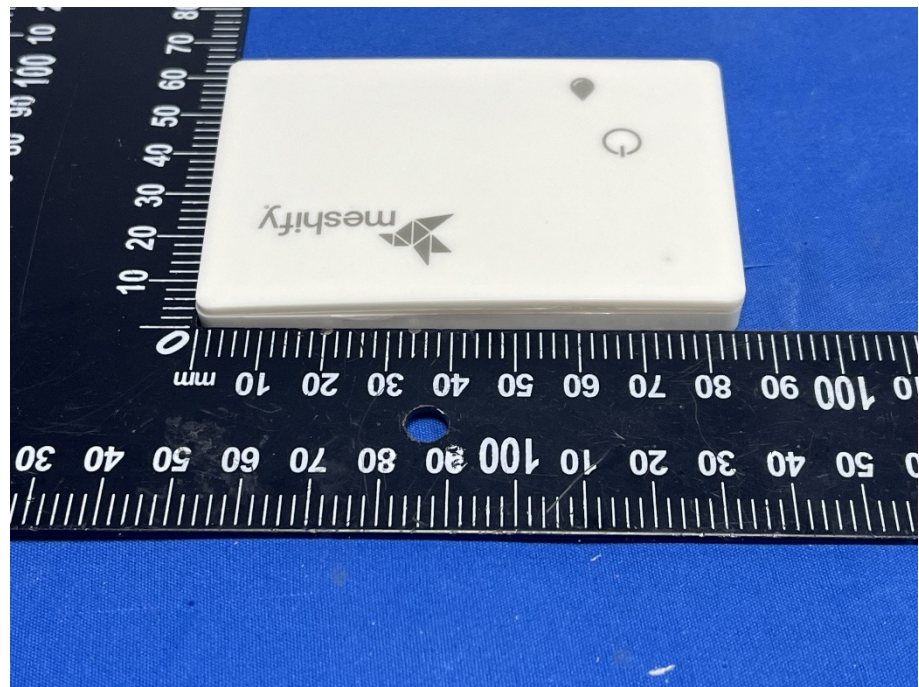

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

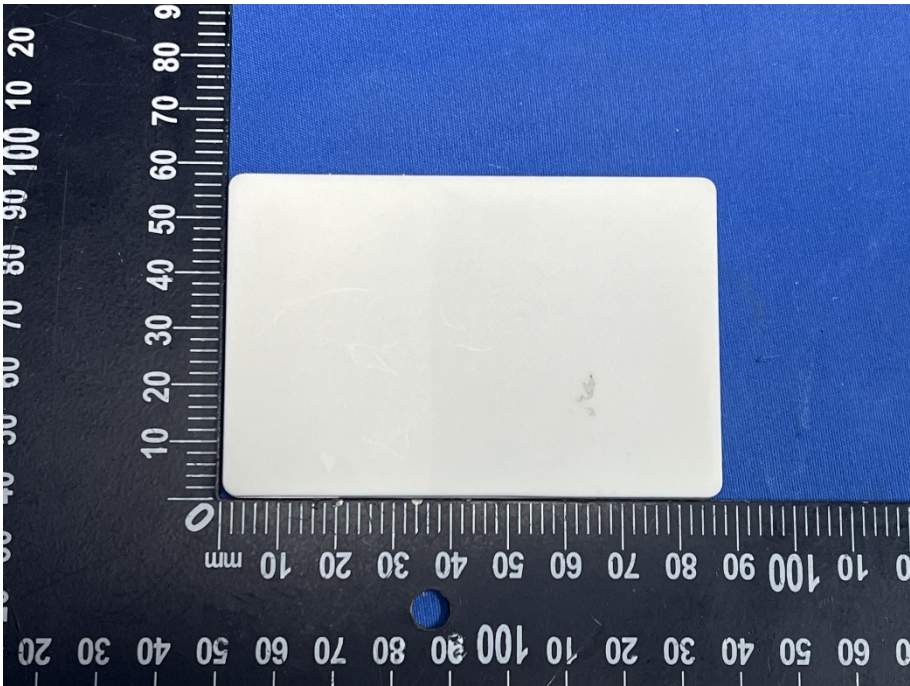

EUT View 1	 A photograph of a white, rectangular electronic device (EUT) placed on a blue surface. The device has a power button (a circle with a vertical line) and a small, dark, circular feature below it. The 'meshify' logo is visible in the top right corner. A black ruler with white markings is positioned vertically to the left of the device, showing measurements from 0 to 90 mm. The device is approximately 80 mm wide and 40 mm high.
EUT View 2	 A photograph of the same white, rectangular electronic device (EUT) from a different angle, showing its top surface. The power button and the 'meshify' logo are visible. A black ruler with white markings is positioned horizontally below the device, showing measurements from 0 to 100 mm. The device is approximately 80 mm wide and 40 mm high.

EUT View 3

EUT View 4

EUT View 5	 A photograph of a white, rectangular electronic unit (EUT) labeled 'meshify' with a stylized logo. The unit is positioned on a blue surface next to a black ruler with white markings. The ruler shows measurements in millimeters (0 to 100) and centimeters (0 to 10). The unit has two small circular features near the top left corner.
EUT View 6	 A photograph of the same white, rectangular electronic unit (EUT) from a different angle. It is placed on a blue surface next to a black ruler with white markings. The ruler shows measurements in millimeters (0 to 100) and centimeters (0 to 10). The unit appears to be the same as in View 5, but the 'meshify' logo and features are not clearly visible in this orientation.
