

Cover letter for FCC application - Blueye charger

Blueye Robotics AS

May 6, 2019

Blueye Robotics AS is applying for FCC certification for its Blueye Charger with FCC ID: 2AQ3VBYE00810-00003. The charger has switching DC/DC converters that cause unintentional radiation.

We are seeking for FCC approval for this device.

A handwritten signature in blue ink, consisting of several loops and a long, sweeping tail that extends towards the top right.

Borja Serra, electronic designer at Blueye Robotics
