

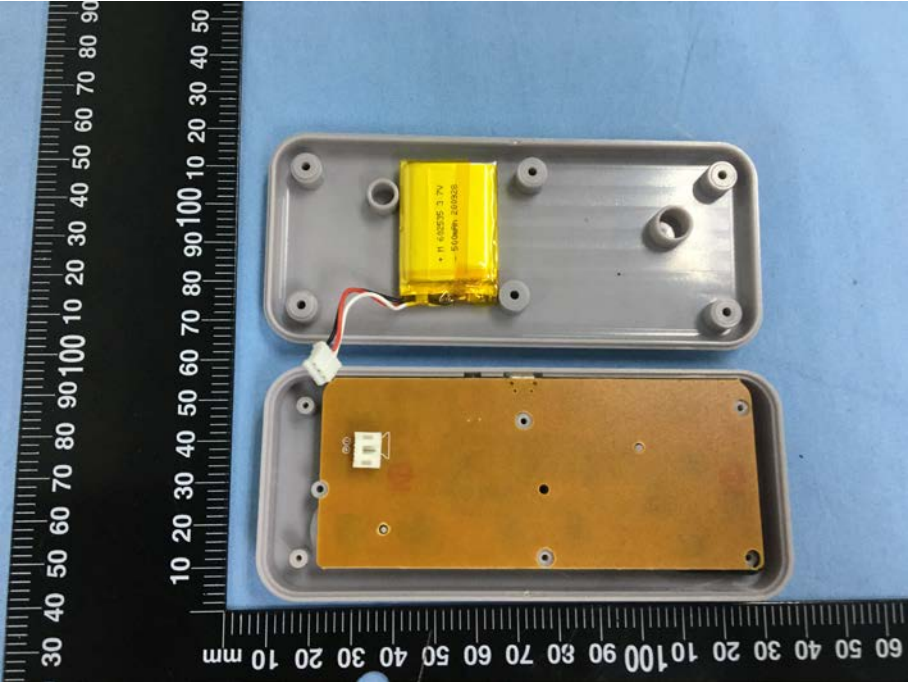

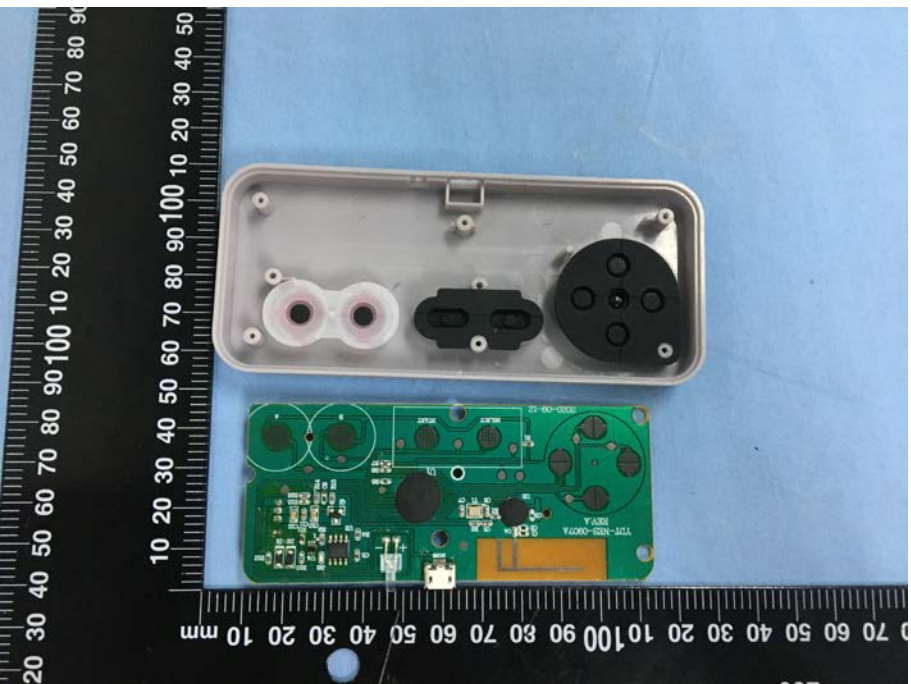

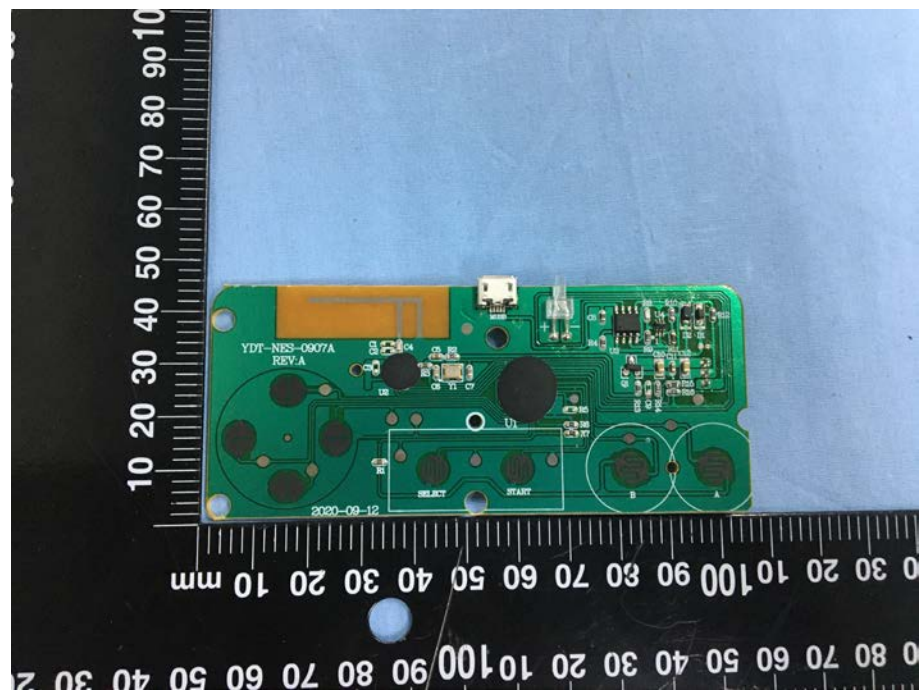

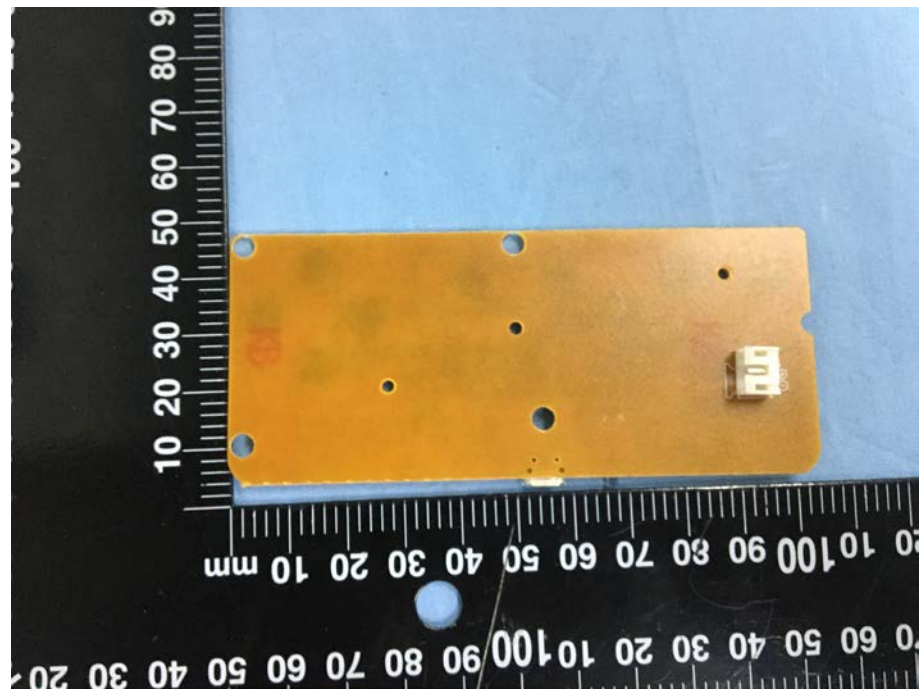

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1	 Photograph showing the internal components of the EUT housing and board, viewed from the top. The components are laid out on a blue surface next to a ruler. The top component is a grey plastic housing with a yellow battery (labeled '3.7V 500mAh') and a small white connector. The bottom component is a gold-colored printed circuit board (PCB) with a small white connector. The ruler indicates dimensions in millimeters.
EUT Housing and Board View 2	 Photograph showing the internal components of the EUT housing and board, viewed from the bottom. The components are laid out on a blue surface next to a ruler. The top component is a grey plastic housing with two circular ports (one white, one black) and a black circular component. The bottom component is a green printed circuit board (PCB) with various electronic components and a small white connector. The ruler indicates dimensions in millimeters.
