Subject: Class 2 Permissive Change (C2PC) Request

FCC ID: 2AQ5IOCUS1

To whom it may concern

In accordance with KDB 178919 D01 and FCC rule part §2.1043: Changes in Certified Equipment, Grundium hereby requests a class 2 permissive change to FCC ID: 2AQ5IOCUS1 as detailed below:

Integration of the module into the Grundium Ocus Slide Scanner. This requires changing the modular filing to a Limited Single Modular Approval. The Scanner has a reduced operating band: channels 1 to 11 @2.4GHz and channels 36, 40, 44 and 48 @UNII-1 and channels 52,60 and 64 @UNII-2A. The Bluetooth band is disabled.

As a result of the changes detailed above, the following test cases have been tested to verify compliance of the modified 2AQ5IOCUS1.

Use case specific RF Exposure evaluation was deemed necessary and therefore SAR tests were performed.

Use of a different antenna type in the scanner has required additional radiated spurious emissions testing

Yours faithfully,

Mika Kuisma, CEO
Grundium
