Dear Sir or Madam:

Telit Communications S.p.A. has applied for, and has been granted Federal Communications Commission (FCC) registration number RI7ME310G1W1, original grant date of February 25, 2020, for its radio module which carries the Telit Communications S.p.A. model number ME310G1-W1.

This letter will grant permission on a one-time basis to VivaQuant Inc., a company in United States of Americas, to apply for a "Change of Identification" for the above mentioned radio module, with FCC.

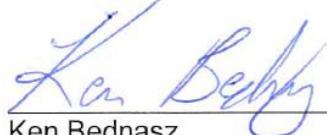

Telit Communications S.p.A. understands that VivaQuant Inc. must make this change in order to comply with Federal Communication Commission (FCC) regulations that apply to the VivaQuant Inc. product called RX-2, FCC identifier 2AQ8D-RX-2 and Telit authorize FCC to use information on file to grant such Change of Identification for this device.

Telit Communications S.p.A. is supplying the ME310G1-W1 to VivaQuant Inc., unmodified and equivalent to the originally certified unit.

The device is being supplied to the applicant unmodified and equivalent to the original approved unit.

The original test results continue to be representative of and applicable to the equipment bearing the changed identification.

Sincerely,

Ken Bednasz  
Vice President of Application Engineering  
Telit Communications S.p.A.
