The image shows a green PCB for a Wi-Fi module. Key features include:

- Labeling:** "H1001-3 V1.0", "2021/06/21", and "SH1" are printed in white.
- Central Component:** A large black square chip is mounted in the center.
- Surface Components:** Various small components, including a capacitor labeled "H403K", are visible.
- Contacts:** Gold-plated contacts are located along the top, bottom, and left edges.
- Labels on Board:** "WIFI" is printed on the left, and "GND", "RX", "TX", "WIFI_3V3", "BT_2V3", and "M1C" are printed along the bottom edge.
