CRAIG

Owner's Manual

PLEASE READ BEFORE OPERATING THIS EQUIPMENT.

Model: CAC376

FCC NOTICE:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC STATEMENT

1. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and
(2) This device must accept any interference received, including interference that may cause undesired operation.
2. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

FCC WARNING:

To assure continued operation, follow the attached installation instructions and use only shield cables when connecting to other devices. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

LOCATION OF CONTROLS

1. Red Indicator
2. Multi-Function Button
3. Battery Door
4. Hanging Hole

POWER SOURCE

BATTERY OPERATION:

The unit is operated by CR 2032 Lithium button cell. Install or replace the battery as below:

1. Open the battery door by slide it off. Install the supplied (or replace by new) CR 2032 Lithium button cell with polarity "+" face up as the figure below.
2. Replace the battery door.

NOTE: For first time use, please remove the insulation sheet.

BATTERY PRECAUTIONS:

Follow these Battery Precaution when using a battery in this device:

1. Use only the size and type of battery specified.
2. Be sure to follow the correct polarity when installing the battery as indicated in the battery compartment. A reversed battery may cause damage to the device.
3. Do not mix different types of batteries together (e.g. Alkaline and Carbon-zinc) or old batteries with fresh ones.
4. If the batteries in the device are consumed or the device is not to be used for a long period of time, remove the batteries to prevent damage or injury from possible battery leakage.
5. Do not try to recharge the battery not intended to be recharged; it can overheat and rupture. (Follow battery manufacturer's instructions.)
6. Do not dispose of battery in fire. Battery may explode or leak.
7. Clean the battery contacts and also those of the device prior to battery installation.
8. This product contains a coin/button cell battery. If the coin/button cell battery is swallowed, it can cause severe internal burn in just 2 hours and can lead to death. Keep new and used batteries away from children. If the battery compartment does not close securely, stop using the product and keep it away from children. If you think batteries might have been swallowed or placed inside any part of the body, seek immediate medical attention.

OPERATION

1. Download the "Craig BT Tracker" APP from the Google Play or Apple App Store into your mobile device then install it following the on screen instructions.
2. Press and hold the Multi-Function Button until hearing 2 "Beep" sounds to Power On the device.
3. Power on the smartphone and open the Bluetooth.
4. Open the "Craig BT Tracker" APP and then tap "+" icon or hold and slide down the screen to search ALL available Trackers. After the search, tap "Unconnected" to connect the Tracker.

5. Tap "Setting" to on connected Tracker to enter tracker setting page to modify the "DEVICE PICTURE", "Name" and so on.

6. Alarm

- Tap "Click alarm" to turn on Anti-lost alarm on Tracker (continue "Beep" sound). Tap "Stop alarm" to turn off alarm on Tracker.
- Quick press the Multi-Function Button twice to turn on Anti-lost alarm on the smartphone, quick press the Multi-Function Button twice again or press "ok" on the smartphone to turn off alarm.
- If turn on "Alarm when Bluetooth Disconnected", it has "anti-lost alarm" on smartphone when:
a.) Distance between Tracker and smartphone more than 75ft
b.) Power off Tracker, Bluetooth disconnected.
It has continue alarm on smartphone to give you anti-lost alert. Tap "OK" on the smartphone to stop alarm and you can find the "Tracker final location" in "Lost History" section.

7. Tap "Camera" icon to turn on the smartphone camera, you could use Tracker as "selfie-remote control" to take photo.

8. Tap "Location" icon to browse "Map" for the Tracker current location. Tap "Lost History" to see all "Tracker lost records" with date, time and lost location.

9. Tap "Settings" icon to turn on "WiFi Do not Disturb" or set "Silent Period".

10. Tap "Description" icon to get more operation details.
11. Press and hold the Multi-Function Button until hearing a short period of "Beep" sound to Power Off the device.

Normal operation after pairing:

1. Turn on the BT function of the smartphone.
2. Press and hold the Multi-Function Button until hearing 2 "Beep" sounds to Power On the device.
3. Open to the "Craig BT Tracker" APP as usual to operate the device.
4. Press and hold the Multi-Function Button until hearing a short period of "Beep" sound to Power Off the device.
