**RE: LONG-TERM CONFIDENTIALITY REQUEST FOR OUTDOOR NOISE SENSOR, FCC# 2AQIP-NA3N302**

To Whom It May Concern:

This letter serves as an official request for confidentiality under sections 0.457 and 0.459 of CFR 47. We have requested that the **Block Diagrams, Schematics, Technical Descriptions, and Part List** required to be submitted with this application be permanently withheld from public review.

These documents represent proprietary information that could be detrimental to our business should it fall into the hands of direct or indirect competitors. We would prefer to keep these documents private to protect our business.

Please contact me if there is any information you may need.

Sincerely,

Garrett Dobbs, Head of Product
