

## Model Confirmation Letter

We, Andover Audio LLC confirm that the:

Product Name: Andover One E Record Player  
Model No.: Andover-One E

The Andover One E product is exactly the same as the Andover One except:

1. The Andover One E does not have the two "cosmetic" aluminum plates attached to the top and bottom of the acoustic cabinet.
2. The Andover One E only has 2 Woofers
3. Andover One E has a different type of tweeter
4. Andover One E has slightly different acoustic cabinet construction
5. Andover One E Remote has a different construction process but has the same circuitry.
