

Langogo Minutes

Instruction manual

SPEC

Product Name: Langogo Minutes

Product Size: 115 * 45.3 * 12.6mm

Product Color: Gray

Product Weight: 80g

Touch Screen: 2.45-inch Touch Screen

432 *240P Retina Display

Processor: MT6580 Quad-core

Storage: 8GB

Microphone: Dual Noise-cancelling Microphone

Speaker: Hi-Fi Speaker with Power Amplifiers

Battery: 1510mAh

Operating Temperature: -10°C – 40°C

Operating Humidity: <70%

Charging Time: 2.5 Hours (5V 1A Charger)

QUICK GUIDE

1. How To Use The Translation Function

Press the button on the right side and hold to speak

Release to hear the translation result

One-button Translation: It will automatically recognize between the two selected languages and translate into another one.

Federal Communications Commission (FCC) Interference Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules.

These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generate, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC Caution: Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

RF exposure warning

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.

This product may not be collocated or operated in conjunction with any other antenna or transmitter.
