RE: Request for Change in ID

<Yummly Inc.> Original FCC ID: **<2AVXTYTE000W5KB2>**
Original Approval Date: <03/23/2020>
< Mastrad SA > New FCC ID: **<2AQMOF74380D >**

To Whom It May Concern:

< Mastrad SA > verifies the equipment bearing the modified identification does not differ from the original equipment, there are no differences in terms of both hardware and software. The only difference is branding: the original equipment carries < Yummly Inc.> brand, the equipment bearing the changed identification carries < Mastrad SA > brand.

The original test results continue to be representative of and applicable to the equipment bearing the changed identification.

If you required any additional information, please contact us.

Regards,

Samuel Puong
