

FCC Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC ID 2AQTA-PSX1

Safety Instructions

The earbuds have a non-removable, rechargeable Li ion battery. Do not attempt to remove the battery. Do not alter the headphones in any way.

Do NOT use the earbuds at a high volume for an extended length of time. To avoid hearing damage, use the earbuds with a comfortable volume.

Follow all laws regarding headphone use while driving.

Ensure you can hear surrounding sounds such as alarms or warning signals at all times.

Avoid exposing the earbuds to excessive heat. If the earbuds become warm or lose audio, discontinue use immediately.

Do not submerge the earbuds in water or wear while participating in water sports.

The earbuds contain magnetic material. Consult your doctor if you have an implantable medical device.

If any part of the earbuds are damaged, do not use them.

Do not use harsh chemicals or strong detergents to clean the earbud.

⚠ WARNING: This product can expose you to chemicals which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.
