

HMD External Photos

View	Photo
HTC VIVE Front	 A front-facing photograph of the HTC VIVE HMD. The device is white with a gold-colored front panel. The panel features two large circular lenses on the left and right, and the 'VIVE' logo in the center. Above the lenses is a small, rectangular, gold-colored sensor array. The device is shown from a slightly elevated angle, resting on a white surface.
HTC VIVE Back	 A back-facing photograph of the HTC VIVE HMD. The device is shown from the back, revealing the white headband and the gold-colored interior padding. The headband has a small, rectangular, gold-colored sensor array on the back. The device is shown from a slightly elevated angle, resting on a white surface.

HTC VIVE Left	 A white HTC Vive Left Controller is shown from a three-quarter front view. The controller has a curved, ergonomic shape with a blue HTC Vive logo on the side. A grey sensor bar is attached to the back. The controller is resting on a white surface.
HTC VIVE Right	 A white HTC Vive Right Controller is shown from a three-quarter front view. The controller has a curved, ergonomic shape with a blue HTC Vive logo on the side. A grey sensor bar is attached to the back. The controller is resting on a white surface.
