- Gebruiksaanwijzing**
Steek in usb-poort. Plaats de telefoon in het midden van de pad. Schakel het apparaat uit als het niet gebruikt wordt.
- Istruzioni**
Collegare a una porta USB. Collocare il telefono al centro del pad. In caso di inutilizzo, scollegare il dispositivo.
- Versions of software/firmware affecting compliance with essential requirements couldn't be installed/changed by user. Accessories/components marketed together affecting compliance couldn't be changed by user.
- Las versiones del software y firmware que afectan al cumplimiento normativo con requisitos esenciales no pueden ser instaladas ni modificadas por el usuario. Los accesorios o componentes que se comercializan juntos y afectan al cumplimiento normativo no pueden ser modificados por el usuario.
- O utilizador não conseguiu instalar ou alterar as versões do software ou firmware que afetam a conformidade com os requisitos essenciais. O utilizador não conseguiu mudar os acessórios ou os componentes comercializados em conjunto que afetam a conformidade.
- Software-/Firmware-Versionen, die sich auf die grundlegenden Anforderungen auswirken, können vom Nutzer nicht installiert/geändert werden. Gemeinsam angebotene Zubehörteile/Komponenten, die sich auf die grundlegenden Anforderungen auswirken, können vom Nutzer nicht geändert werden.
- Les versions du logiciel/micrologiciel affectant la conformité aux conditions de base ne peuvent pas être installées/modifiées par l'utilisateur. Les accessoires/composants fournis affectant la conformité ne peuvent pas être changés par l'utilisateur.
- Versies van de software/hardware zijn niet compatibel met essentiële vereisten en kunnen niet worden geïnstalleerd of gewijzigd door de gebruiker. Bij elkaar horende accessoires/onderdelen beïnvloeden de conformiteit en kunnen niet door de gebruiker veranderd worden.
- Versioni di software/firmware che incidono sulla conformità con i requisiti essenziali non possono essere installate/modificate dall'utente. Accessori/componenti commercializzati insieme che incidono sulla conformità non possono essere modificati dall'utente.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
FCC Caution: Changes or modifications not expressly approved by the part responsible for compliance could void the user's authority to operate the equipment.

- FCC Statement:
This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
- Reorient or relocate the receiving antenna.
 - Increase the separation between the equipment and receiver
 - Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
 - Consult the dealer or an experienced radio/TV technician for help.

WIRELESS CHARGING PAD

Model: PM14374 / Input: DC5V 1.5A
Output: DC5V 1A / Weight: 69 grams
Frequency range:110-205KHZ
Max. H Field: -9dBuA/m @ 10m

INSIDE PAGES

- Manual**
- This inductive charger allows you to wirelessly charge your smartphone. Your smartphone must be equipped with a charging function that is compatible with the Qi standard or fitted with an induction charging adapter.
- Este cargador inductivo permite cargar su smartphone sin cables. El smartphone debe estar equipado con una función de carga compatible con el estándar Qi o con un adaptador de carga inductiva.
- Este carregador indutivo permite carregar sem fios o smartphone. O smartphone deve estar equipado com uma função de carregamento compatível com o Qi padrão ou ter um adaptador de carregamento de indução.
- Mit diesem induktiven Ladegerät können Sie Ihr Smartphone kabellos aufladen. Ihr Smartphone muss mit einer Qi-kompatiblen Ladefunktion ausgestattet sein oder mit einem Induktions-Ladeadapter.
- Ce chargeur à induction vous permet de charger votre smartphone sans fil. Votre smartphone doit être équipé d'une fonctionnalité de recharge compatible avec les standards Qi ou adaptée à l'utilisation d'un adaptateur de charge à induction.
- Met deze inductieve oplader kun je je smartphone draadloos opladen. Je smartphone moet beschikken over een oplaadfunctie die compatibel is met de Qi-standaard of een oplader met inductie.
- Questo caricabatterie a induzione ti permette di ricaricare in modalità wireless il tuo smartphone. Lo smartphone deve avere una funzione di ricarica compatibile con lo standard Qi o essere dotato di un adattatore di ricarica induttiva.

- Safety**
- Only use the supplied cable. Charge on a dry solid surface. Do not charge on carpets, furnishings, clothing etc. Do not cover whilst charging. Dispose of/recycle in accordance with local/regional/national regulations Do not expose item to high levels of humidity, liquids, high temperatures, naked flames or direct sunlight. Retain packaging and instructions and store safely for future reference.
- Seguridad.**
Utilizar solo el cable incluido. Cargar sobre una superficie firme y seca. No cargar sobre moquetas, muebles, prendas de vestir, etc. No tapar durante la carga. Desechar o reciclar de acuerdo con la normativa local, regional o nacional. No exponer el artículo a niveles elevados de humedad, líquidos, temperaturas elevadas, llamas expuestas o la luz directa del sol. Conservar el embalaje y las instrucciones para consultarlos en el futuro.
- Segurança.**
Utilizar apenas com o cabo fornecido. Carregar numa superfície seca e sólida Não carregar em alfapitas, móveis, roupa, etc. Não cobrir durante o carregamento. Eliminar ou reciclar de acordo com os regulamentos locais, regionais ou nacionais. Não expor o produto a níveis elevados de humidade, líquidos, temperaturas altas, chamas ou luz solar direta. Guardar a embalagem e as instruções e armazenar em segurança para referência futura.
- Sicherheitshinweise.**
Nur das mitgelieferte Kabel benutzen. Der Untergrund des Ladegeräts muss fest und trocken sein. Das Ladegerät nicht auf Teppichen, Möbeln oder Kleidung usw. platzieren. Während des Ladevorgangs das Gerät nicht abdecken. Das Ladegerät gemäß den lokalen/regionalen/nationalen Bestimmungen entsorgen/recyceln. Setzen Sie das Gerät nicht hoher Feuchtigkeit, Flüssigkeiten, hohen Temperaturen, offenen Flammen oder direkter Sonneneinstrahlung aus. Die Verpackung und Anwendungshinweise zum späteren Nachlesen aufbewahren.
- Sécurité.**
Utiliser exclusivement le câble fourni. Charger sur une surface sèche et solide Ne pas charger le smartphone sur un tapis, un meuble, un vêtement, etc. Ne pas couvrir pendant la charge. Jeter/Recycler conformément aux réglementations locales/régionales/nationales. Ne pas exposer l'article à une forte humidité, aux liquides, à des températures élevées, à une flamme nue ou à la lumière du soleil. Conserver l'emballage et le mode d'emploi à titre d'information.

- Veiligheid.**
Gebruik alleen de meegeleverde kabel. Gebruik een droog, stevig oppervlak om op te laden. Niet opladen op tapijt, meubilair, kleding etc. Niet afdekken tijdens het opladen. Weggooiën/recyclen overeenkomstig lokale/regionale/nationale regelgeving. Stel het product niet bloot aan hoge vochtigheid, vloeistoffen, hoge temperaturen, open vuur of direct zonlicht. Bewaar de verpakking en instructies op een veilige plek voor toekomstige naslag.
- Sicurezza.**
Utilizzare esclusivamente il cavo fornito. Ricaricare su una superficie solida e asciutta. Non effettuare la ricarica su tappeti, arredi, indumenti, ecc. Non coprire durante la ricarica. Smaltire/riciclare in conformità con le normative locali/regionali/nazionali. Non esporre il prodotto ad alti livelli di umidità, liquidi, elevate temperature, fiamme libere o luce solare diretta. Conservare la confezione e le istruzioni in un luogo sicuro per consultazioni future.
- Instructions**
- Plug into USB Port. Place phone in the centre of the pad. Disconnect the device when not in use.
- Instrucciones**
Enchufar a un puerto USB. Colocar el teléfono sobre el centro de la almohadilla. Desconectar el dispositivo cuando no se utilice.
- Instruções**
Ligar na porta USB. Colocar o telemóvel no centro da base. Desligar o dispositivo quando não estiver a ser utilizado.
- Gebrauchsanleitung**
In einen USB-Anschluss stecken. Das Smartphone in die Mitte des Pads platzieren. Das Gerät bei Nichtgebrauch von der Stromversorgung trennen.
- Mode d'emploi**
Brancher au port USB. Placer le téléphone au centre du support. Débrancher l'appareil en dehors des périodes d'utilisation.
