Attention: Application Examiner

RE: Request for Confidentiality
Applicant: Becton Dickinson and Company
FCC ID: 2AQW6-3VPX8

To Whom It May Concern:

Permanent Confidentiality

Request is hereby submitted by Becton Dickinson and Company to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- **Schematics**
- **Detailed Block Diagrams**
- **Detailed Operational/Functional Description**
- **Parts list**

I attest that above information is not available publically.

Rationale for request for confidentiality:

Becton Dickinson and Company has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose

successful implementation of unpublished, leading edge technology developed by Becton Dickinson and Company.

The referenced product, wearable Insulin Delivery Device is controlled by the Wireless Controller (FCC ID: 2AQW6-HX6FV). Becton Dickinson and Company would like to request the permanent confidentiality for Insulin Delivery Device in order to protect critical information to be released in the public domain. That would make above information difficult to be used for potentially nefarious purposes which will further protect the end users.

If you have questions or need further information, please contact the undersigned.

Sincerely,
