

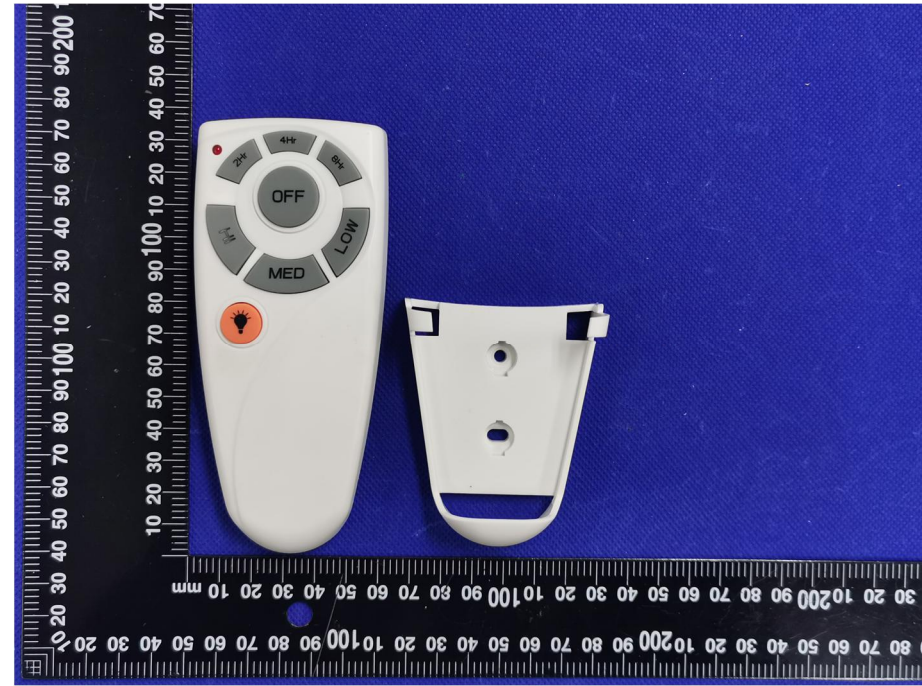

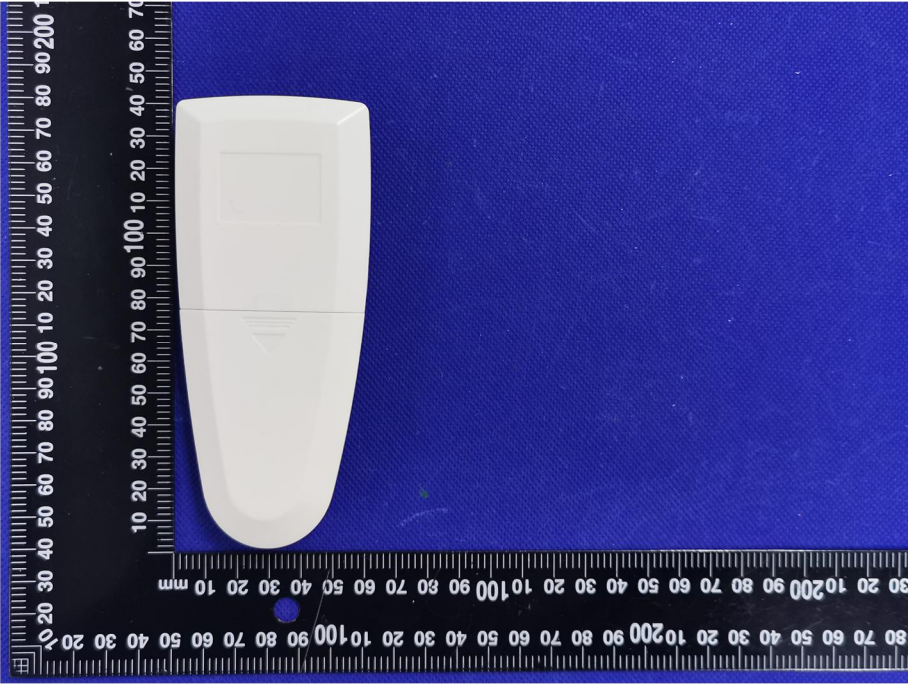

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing two white plastic components of an Electronic Under Test (EUT) against a blue background. On the left is a main handheld device with a circular control panel featuring buttons labeled 'OFF', 'MED', 'LOW', '2W', '4W', and '8W', along with a red light indicator. To its right is a detached white component with two small circular holes. A black ruler with white markings is positioned vertically and horizontally for scale.
EUT View 2	 A photograph of the same white handheld device from a different perspective, showing its side profile. The control panel and red light indicator are visible. It is placed on a blue background with a black ruler for scale.
