

Sprinkles2

FCC ID: 2AR2K-0002017

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This device is a Bluetooth Low Energy (BLE) transmitter operating in the 2.4 GHz frequency range.

This device is approved for use in indoor environments.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
