 Made in China

The diagram shows a top-down view of a rectangular Philips Soundbar Speaker. On the left, a vertical double-headed arrow indicates a height of 32.00 mm. At the bottom, a horizontal double-headed arrow indicates a width of 57.00 mm. The speaker's faceplate is white with a black border. The Philips logo is centered at the top. Below it, the model number HTL1508/37 is printed. The power input specification is DC 15V with a 1.6A current limit, indicated by a plug icon. A paragraph of text explains that the device complies with FCC Part 15, noting that it may cause or be affected by radio frequency interference. To the right of the text is the UL LISTED AUDIO EQUIPMENT E506295 certification logo. Below the text is another instance of the model number HTL1508/37, followed by a barcode. Under the barcode is the serial number XXXXXXXXXXXXXXX. At the bottom right, the manufacturer's name and address are listed: Envision Peripherals, Inc., 490 N McCarthy Blvd, Suite #120 Milpitas, CA 95035.

PHILIPS Soundbar Speaker
