Re: Request for confidentiality  
FCC ID: **2ARC8-SF3-OPT**

To whom it may concern,

Pursuant to FCC Rules §§ 0.457(d) and 0.459, we hereby update our confidentiality request as follows:

- **Permanent Confidentiality Request:**
  - Schematics  
The schematics contain proprietary circuit design information that is fundamental to our product's technological differentiation. Public disclosure would undermine our competitive advantage in the marketplace.

All other exhibits are subject to the FCC's default confidentiality provisions. Should you require any additional information, please do not hesitate to contact us.

Sincerely,
