# Sandia Research Corporation – STR-1000 Data Tag Information

The FCC (and IC and CE) data tag for the STR-1000 radio will be a laser etched aluminum tag with an approximate size of 75 x 50 mm (2.95" x 1.97"). The tag background will be anodized black with the text and graphic silver or white. The location of the data tag will be on the back of the radio, protected from harsh conditions by the battery, when the battery is installed.

STR-1000 data tag example.

Sandia Research Corporation – STR-1000 Data Tag Information

Approximate location and size of data tag.

Serial numbers will be unique to each radio.
