REQUEST FOR FCC ID Label Exemption- FCC:ID 2ARFP-ES902MPRS

We, Essence SmartCare requesting to remove the FCC ID 2ARFP-ES902MPRS from the label due to limitation of actual free area, our device, currently' is one of the smallest LTE Cat M devices in the industry. The only area for the FCC ID together with IC ID is limited to 9.5mm x 18mm as shown in the pictures below. By placing an aluminum printed, non-removal label may interferes with the wireless charging operation of the device.

The FCC ID will be part of the device user guide as well as the device datasheet.

Israel, May 30, 2023

A handwritten signature in blue ink, appearing to read 'Tal Cohen', is written over a horizontal line.

Tal Cohen, Senior Technical Director
