WARNINGS

Read all instructions and warnings prior to using the Courant MAG:1 ("Product"). Improper use of the Product may result in Product damage, overheating, toxic fumes, fire or explosion, for which damages you ("Purchaser"), and not Courant ("Manufacturer") are responsible.

- Wireless charging is temperature sensitive. Do not store the Product in high-temperature environments, including intense sunlight or other forms of heat. Do not place Product in fire or other excessively hot environments.
- Do not disassemble the Product or attempt to re-purpose or modify in any manner.
- Do not attempt to replace any part of the Product.
- If the Product is intended by Purchaser to be used by a minor, purchasing adult agrees to provide detailed instructions and warnings to any minor prior to use. Failure to do so is sole responsibility of Purchaser, who agrees to indemnify Manufacturer for any unintended use/misuse by a minor.
- Do not place credit cards (with a chip or magnet) on the Product.
- Product is intended for home, office & general indoor use only. Please do not use near medical or industrial equipment or on board an aircraft.
- Keep away from liquids.
- It is recommended to unplug the Product if it is not in use for an extended period of time.
- All Products have gone through a thorough quality assurance inspection. If you find the Product is excessively hot, is emitting odor, is deformed, abraded, cut or is experiencing or demonstrating an abnormal phenomenon, immediately stop all Product use and contact Manufacturer.
- For questions or instructions on the various ways to use the Product refer to the illustrations in this manual.
- Note: The phone cannot be used while the phone is charging

WARRANTY

At Courant we are dedicated to making the best quality products. Your MAG:1 is under warranty for 1 year under normal use from the original date of purchase (the "Warranty Period"). The Purchaser must own the Product. This warranty does not affect any statutory rights that you may be entitled to. Keep a copy of your purchase receipt as proof of purchase.

If a material or workmanship defect arises with regard to any Courant product, and a valid claim is received within the Warranty Period, we will at our option, either repair the product using new or refurbished parts, replace the product with a new or refurbished Courant product, or refund the purchase price of the defective Courant product. For the purpose of this limited warranty, "refurbished" means a product or part that has been substantially returned to its original or improved specifications.

Except for the limited warranty expressly set forth or to the extent restricted or prohibited by applicable law, Courant expressly disclaims any and all other warranties (express or implied) including any warranty of quality, merchantability, or fitness for a particular purpose, and you specifically agree that Courant shall not be liable for any special, incidental, indirect, punitive, or consequential damages for breach of any warranty of any type on any Courant product. In addition to and without limiting the generality of the foregoing disclaimers, the limited warranty does not under any circumstances, cover the replacement or cost of any electronic device or personal property inside or outside the Courant product. For the avoidance of doubt, the limited warranty does not cover damages that arose from negligence, misuse, wear-and-tear or failure to follow the product instructions.

LEGAL

This Product is meant for use only in conjunction with the appropriate device. Please consult the Product website to determine whether it is compatible with your particular device. Manufacturer is not responsible for any damages to any device incurred through the use of this Product.

Manufacturer shall not in any way be liable to you or to any third party for any damages you or any third party may suffer as a result of use, intended or unintended, or misuse of this Product in conjunction with any device or accessory other than the appropriate device for which this Product is designed. Manufacturer will not be responsible for any damages you or any third party may suffer as a result of misuse of this Product as outlined above. If you are responsible for Product use with an unintended device and damages result from such use, you agree to indemnify Manufacturer for any resulting injuries to you or any third party(ies).

This Product complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This Product may not cause harmful interference, and (2) this Product must accept any interference received, including interference that may cause undesired operation. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes : (1) L'appareil ne doit pas produire de brouillage; (2) L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

LEGAL (CONT.)

This equipment complies with FCC/IC RSS 102 radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator and your body. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

Cet équipement est conforme aux limites d'exposition aux radiations FCC/IC CNR 102 établies pour un environnement non contrôlé. Cet équipement doit être installé et utilisé avec une distance minimale de 20cm entre le radiateur et votre corps.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning off and on the device, the user is encouraged to try to correct the interference by one or more of the following measures: Reorient or relocate the receiving antenna, increase the separation between the equipment and receiver, connect the equipment into an outlet on a circuit different from that to which the receiver is connected, and/or consult the dealer or an experienced radio / TV technician for help.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules.

These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.
