A black, teardrop-shaped KOBOTIX KRR1 TX robot head assembly is shown against a blue background. The assembly features several sensors and components: a PHOTO sensor (left), a ST D/R sensor (top left), a ST TRM sensor (top right), a VIDEO sensor (right), a TH D/R sensor (center), and an AUX sensor (bottom center). A blue cable is connected to the top. A ruler is placed horizontally below the assembly, showing measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). The KOBOTIX logo and model information (KRR1 TX, REV C1, 20191011) are visible on the bottom of the assembly.
