#### **Inquiry:**

Dear Sir/ Madam,

This is Viola from SGS China.

Our client has a product (item# 69901/69902, see the attachment) which is going to apply FCC certificate. It's impracticable to place the 15.19 statement on the product, because of the small size (100\*71mm) and special material of product. Please kindly advise if it is ok to place the statement in user manual and product packaging (or on a removable label attached to the device).

Thanks.

### **FCC response on 11/29/2018**

Yes we will accept your proposal to place the 15.19 statement in the manual.
