

Model: H725-S

FCC ID: 2ARRB-H725

Quick Start Guide

## Congratulations

Your MOTOROLA H725-S headset is designed for quick connections, clear calls, and lasting comfort.

### Your headset

## Charging

### Indicator Light

Red - charging  
Blue - fully charged

While your headset is charging, you won't be able to use it.

**Note:** Your battery is designed to last the life of your product. It should only be removed by a recycling facility. Any attempt to remove or replace your battery will damage your headset.

## Basics

### Turn on & off

To turn on/off your headset, flip the boom to the open (extended)/closed (folded under the headset body) position.

- \* Boom is the ON/OFF switch of this headset.
- \* Automatically switch off after 5 minutes if no connection with phone.

### Wear it

Open the boom, flex the earhook and loop it over your ear.

Make sure the speaker aligns with your ear canal.

### Change for left ear use

Open the boom and earhook and gently lift top of the earhook up and off, flip the headset over, and then hook bottom of the earhook onto the lower hinge pin and lift top of the earhook up and on to the upper hinge pin.

**Note:** When prompted for the passkey, enter **0000**.

For daily use, make sure your headset is turned on, and your phone's Bluetooth feature is on. Your headset and phone will connect automatically.

## Pair & connect

### Pair & connect with your phone

- 1 Turn off any Bluetooth® devices previously paired with your headset.

- 2 Turn on the Bluetooth feature on your phone.

- 3 Turn on your headset. The status light is steadily lit in blue, you can hear "power on". (see "Turn on & off")

- 4 The status light will then change to blue and red alternately, you can hear "pairing". Select H725-S on the bluetooth menu of your phone.

- 5 When your headset successfully connects to your phone, you hear "connected".

- 6 Put the headset on your ear. (see "Wear it")

## Button Operation

Note: Some features are phone/network dependent.

### Altered Products.

Products or Accessories with (a) serial numbers or date tags that have been removed, altered or obliterated; (b) broken seals or that show evidence of tampering; (c) mismatched board serial numbers; or (d) nonconforming or non-Motorola branded housings, or parts, are excluded from coverage.

Communication Services. Defects, damages, or the failure of Products or Accessories due to any communication service or signal you may subscribe to or use with the Products or Accessories is excluded from coverage.

Consumer Products. One (1) year from the date of the products original purchase by the first consumer purchaser of the product.

Consumer Accessories. Ninety (90) days from the date of the accessories original purchase by the first consumer purchaser of the product.

Consumer Accessories that are Repaired or Replaced. The balance of the original warranty or Ninety (90) days from the date returned to the consumer, whichever is longer.

### Disposal of the Device (environment)

#### At the end of the product life cycle, you should not dispose of

this product with normal household waste. Take this product to a collection point for the recycling of electrical and

electronic equipment. The symbol on the product, user's

guide and/or box indicates this.

Some of the product materials can be reused if you take them to a recycling point. By reusing some parts or raw materials from used products you make an important contribution to the protection of the environment. Please contact your local authorities in case you need more information on the collection points in your area.

### European Union Directives Conformance Statement

The following CE compliance information is applicable to Motorola products that carry one of the following CE marks:

### FCC Radiation Exposure Statement

This equipment complies with FCC radiation exposure limits

set forth for an uncontrolled environment. This transmitter

must not be colocated or operating in conjunction with

any other antenna or transmitter.

### Industry Canada Notice to Users

This device complies with Industry Canada class- exempt

RS-Standard(s). Operation is subject to the following two

conditions:

(1) This device may not cause interference and

(2) This device must accept any interference, including

interference that may cause undesired operation of the device.

See RSS-Gen. 8.4. This device complies with ICES-03

requirements for Class B IT equipment.

Equipment: CAN ICES-3(B)/NMB-3(B)

This device meets the IC requirements.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates and uses radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into a outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Defects or damage that result from the use of Non-Motorola branded or certified Products or Accessories or other peripheral equipment are excluded from coverage.

Unauthorized Service or Modification. Defects or damages resulting from service, testing, adjustment, installation, maintenance, alteration, or modification in any way by someone other than MOTOROLA, MZGW or its authorized service centers, are excluded from coverage.

Altered Products. Products or Accessories with (a) serial numbers or date tags that have been removed, altered or obliterated; (b) broken seals or that show evidence of tampering; (c) mismatched board serial numbers; or (d) nonconforming or non-Motorola branded housings, or parts, are excluded from coverage.

Communication Services. Defects, damages, or the failure of Products or Accessories due to any communication service or signal you may subscribe to or use with the Products or Accessories is excluded from coverage.

Consumer Products. One (1) year from the date of the products original purchase by the first consumer purchaser of the product.

Consumer Accessories. Ninety (90) days from the date of the accessories original purchase by the first consumer purchaser of the product.

Consumer Accessories that are Repaired or Replaced. The balance of the original warranty or Ninety (90) days from the date returned to the consumer, whichever is longer.
