

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1	 A photograph showing the internal components of a mobile phone, including the main circuit board, battery, and display assembly, laid out on a blue surface next to a black ruler for scale. The ruler has markings in millimeters and centimeters. The circuit board is blue with various components, and the battery is a large white rectangular unit. The display assembly is a black rectangular unit with a silver-colored back.
Solder Board-Component View 1	 A photograph showing a close-up of a soldered circuit board component, likely a main board or a sub-board, laid out on a blue surface next to a black ruler for scale. The ruler has markings in millimeters and centimeters. The circuit board is blue with various components, including a large silver-colored component, likely a battery or a large capacitor.

Solder Board-Component View 2	 A photograph of a blue printed circuit board (PCB) component, identified as 'Solder Board-Component View 2'. The board is rectangular with various electronic components, including a large black integrated circuit (IC) in the center, several smaller ICs, and various passive components like resistors and capacitors. It features a gold-plated edge connector on the left side. The board is placed on a blue textured surface next to a black ruler with white markings. The ruler shows dimensions in millimeters (0 to 100 mm) and centimeters (0 to 10 cm).
Solder Board-Component View 3	 A photograph of the same blue PCB component, identified as 'Solder Board-Component View 3'. This view shows the reverse side of the board, which is populated with several large, rectangular, gold-plated components, likely heat spreaders or solder masks. The board is placed on a blue textured surface next to a black ruler with white markings. The ruler shows dimensions in millimeters (0 to 100 mm) and centimeters (0 to 10 cm).

Antenna View 1	WIFI/BT/GPS Ant  GSM/WCDMA/LTE Ant.
Antenna View 2	LTE RX Ant.
