

Gentec International

90 Royal Crest Court, Markham, Ontario, Canada

Attestation Statements

Not Covered Entity Applicant & Not Covered Equipment

To: Federal Communications Commission

Date: May 29, 2025

7435 Oakland Mills Road,
Columbia, MD 21046, USA

Ref: Information Required by Section 2.911(d)(5)(i) & (ii)

FCC ID: 2ARWK-IQBUDZ

Gentec International ("the applicant") certifies that, as of the date of the filing of the application, the applicant is not identified on the Covered List, established pursuant to § 1.50002 of reference chapter, as an entity producing "covered" communication equipment. The equipment for which authorization is sought is not "covered" telecommunications equipment and video surveillance equipment produced by entities identified on the Commission's Covered List that prohibited from receiving an equipment authorization pursuant to section § 2.903 of the FCC rules.

Sincerely yours,

Applicant Signature
