Request of Class II Permissive Change

**Company name: W.O.M. World Of Medicine GmbH**  
**FCC ID: 2AS5K-TSHW42**  
**FCC Part 15 Certification**

Gentlemen,

This is to request a Class II Permissive Change for FCC ID: **2AS5K-TSHW42** originally granted on **2019-04-18**.

The major change filed under application is:

Change: Processor Board Change: Due to the discontinuation of the processor board of the host system, a new processor board was used. The new processor board (iMX6 from the manufacturer Toradex) is compatible to the old processor board (PXA320 from Toradex). No design changes were made to the host system. This change does not affect the RFID radio module. No modifications on hardware or software of the transmitter or antenna are done.

The updated exhibits **Declaration concerning Antenna Specification for host system, Operational Description for host system** are filed under this C2PC application.

If you have any questions regarding this application, please feel free to contact
