

EXHIBIT 1 - PRODUCT LABELING

Proposed FCC Label Format

FCC ID: 2AS67-SATBASMPFANAG

This device complies with Part 15 of the FCC Rules.

Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received,
including interference that may cause undesired operation.

Specifications: Due to the balloon graphics covering the entire space of the balloon, there is not adequate area to add an individual label. As per FCC guidance, in place of an individual label Anagram as created custom packaging insert that provides the specific FCC ID and related regulatory warnings that is readily identifiable to any purchaser of this product.
