

BASIC INFOMATION

Product Name	3D Sublimation Wireless Mouse T69			
Model#	SFP-T69-K	SFP-T69-G	SFP-T69-P	SFP-T69-Y
Barcode	23523	23522	23524	23527
Color	Black	Green	Pink	Yellow

PACKING INFORMATION

Min. Package	20 PCS/BOX
Packing QTY	100 PCS/CTN
Packing Size	50 x 33 x 35 CM
G.W.	11.50 KG
Packing Contents	2.4G wireless mouse x 1, USB receiver x 1, Instruction for use x 1

TECNICAL SPECIFICATION

Operating frequency	2402--2480 mHz
Rated Voltage	3V
Working Current	< 9mA
Connector	USB receiver
Battery Specification	2 x AAA batteries
Channel	40 channels
Effective distance	10 M
DPI	1000-1600 DPI
Support O/S	Windows XP/Vista/7/8/10.,

- 1) This device may not cause harmful interference,
- 2) This device must accept any interference received, including interference that may cause undesired operation.

Instruction of use

Warning: changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Please be aware that the device complies with part 15 of the FCC rules. Operation is subject to the following two conditions:
1) This device may not cause harmful interference,
2) This device must accept any interference received, including interference that may cause undesired operation.
