RE: Request for Confidentiality

FCC ID: 2AS9M10210NIK-TX

To Whom It May Concern:

Permanent Confidentiality

Request to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

[Select one or more of items below, as appropriate, and delete unselected parts]

- Schematics**
- Block Diagrams**
- Operational Description**

Rationale for request for confidentiality:

We have invested considerable time and materials in research and development to produce the referenced product.

Permanent confidentiality: Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

If you have questions or need further information, please contact the undersigned.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Philip Redmond', is written over a horizontal line.
