EUT View 9	 A black rectangular device, likely a power supply unit, is shown vertically. It has a small rectangular label on its front face. A black cable is connected to the bottom of the device and is coiled to the right. A metal ruler is placed horizontally below the device, showing measurements in centimeters and millimeters. The background is a solid blue surface.
EUT View 10	 A black rectangular device, similar to the one in View 9, is shown horizontally. A black cable is connected to the bottom of the device and is coiled to the right. A metal ruler is placed horizontally below the device, showing measurements in centimeters and millimeters. The background is a solid blue surface.
