Solder Board-Component View 2	 A photograph of a green printed circuit board (PCB) component, labeled 'View 2'. The component is rectangular and populated with various electronic components, including several large electrolytic capacitors, a microcontroller, and other surface-mounted components. It is placed on a blue textured surface next to a black ruler with white markings. The ruler shows dimensions in millimeters (0 to 100 mm) and centimeters (0 to 10 cm).
Solder Board-Component View 3	 A photograph of the same green PCB component, labeled 'View 3'. This view shows the reverse side of the component, which is mostly empty except for a large, square, silver-colored component (likely a heat sink or a large capacitor) and some smaller components. It is placed on the same blue textured surface next to the same black ruler with white markings.
