## Product Parameter

Product name: 3-IN-1 FOLDING CHARGING STATION

Supplier's Declaration of Conformity 47 CFR § 2.1077 Compliance Information

Material quality: ABS + Silicone

Model: MP750

Dimensions: 247\*74.5\*7.5MM

Interface: USB-C®

Model No.: MP750

Input: 9V=3A

Mobile phone output: 5W/7.5W/10W/15W

Watch\* output: 2.5W

TWS Earbud Case: 3W

FCC ID: 2ASCK-GW50

This equipment must be installed and operated with a minimum distance of 15 cm between the radiator and user body.

11. Only use attachments/ accessories specified by the manufacturer.

12. Unplug this apparatus during lightning storms and when charging is complete.

13. Do not charge devices unattended.

14. Refer all servicing to qualified service personnel. Servicing is required when the apparatus has been damaged in any way, such as power-supply cord or plug is damaged, liquid has been spilled or objects have fallen into the apparatus, the apparatus has been exposed to rain or moisture, does not operate normally, or has been dropped.

10. Protect the cord from being walked on or pinched particularly at plugs, convenience receptacles, the point where they exit from the device.

15. This warranty does not pertain to damage resulting from accident, abnormal use, misuse or neglect. Any defective product will be replaced if returned to an authorized Sentry dealer or to Sentry directly at P.O. Box 8485, One Bridge Street, Hillburn, NY 10531. Please enclose a \$5 check for return shipping.

## Limited 90-Day Warranty:

Sentry warrants this product to be

free from defects in material and workmanship for 90 days from the date of original

purchase. This warranty does not pertain to damage resulting from accident,

abnormal use, misuse or neglect. Any defective product will be replaced if returned

to an authorized Sentry dealer or to Sentry directly at P.O. Box 8485, One Bridge

Street, Hillburn, NY 10531. Please enclose a \$5 check for return shipping.

## WARNING

\*CAUTION: To prevent electric shock, use only compatible and certified US charging devices.

\*WARNING: To reduce the risk of fire or electric shock, do not expose this apparatus to rain or moisture.

\*CAUTION: Use of controls or adjustments or performance of procedures other

than those specified may damage your device.

\*WARNING: Changes or modifications to this unit not expressly approved by the

party responsible for compliance could void the user's authority to operate the

equipment.

\*WARNING: Always store in a cool dry location.

\*NOTE: This equipment has been tested and found to comply with the limits for a

Class B digital device, pursuant to part 15 of the FCC Rules. These limits are

designed to provide reasonable protection against harmful interference in a

residential installation. This equipment generates, uses and can radiate radio

frequency energy and, if not installed and used in accordance with the instructions,

may cause harmful interference to radio communications.

**Charging your device**

A USB power adapter with 3A/9V output is required in order for the wireless

charging pad to work properly. Only use a USB power adapter with applicable

country regulations and international and regional safety standards. Other power

adapters may not meet applicable safety standards, and using such adapters could

pose a risk of death or injury. Avoid prolonged skin contact with the charging cable

and connector when the charging cable is connected to a power source because it

may cause discomfort or injury. Avoid charging devices unattended, and unplug

wireless power cables when not in use. Sleeping or sitting on the charging cable, wireless pad, or

connector should be avoided.

**Important Safety Instructions**

1. Read these instructions.

2. Keep these instructions.

3. Heed all warnings.

4. Follow all instructions.

5. Do not use this device near water.

6. Clean only with a dry cloth.

7. Do not block any ventilation openings. Use in accordance with the manufacturer's

instructions.

8. Do not charge near any heat sources such as radiators, heat registers, stoves, or

other apparatus (including amplifiers) that produce heat.

9. Discontinue use if damaged.

**Special Note:**

1. When charging the Watch\*, recommended to use flat and vertical charging at 90

degrees. Do not select 30 degrees as charging may not be possible at this angle.

2. Recommended to use the supplied charging cable for power supply, and not to

use the original Phone cable.
