

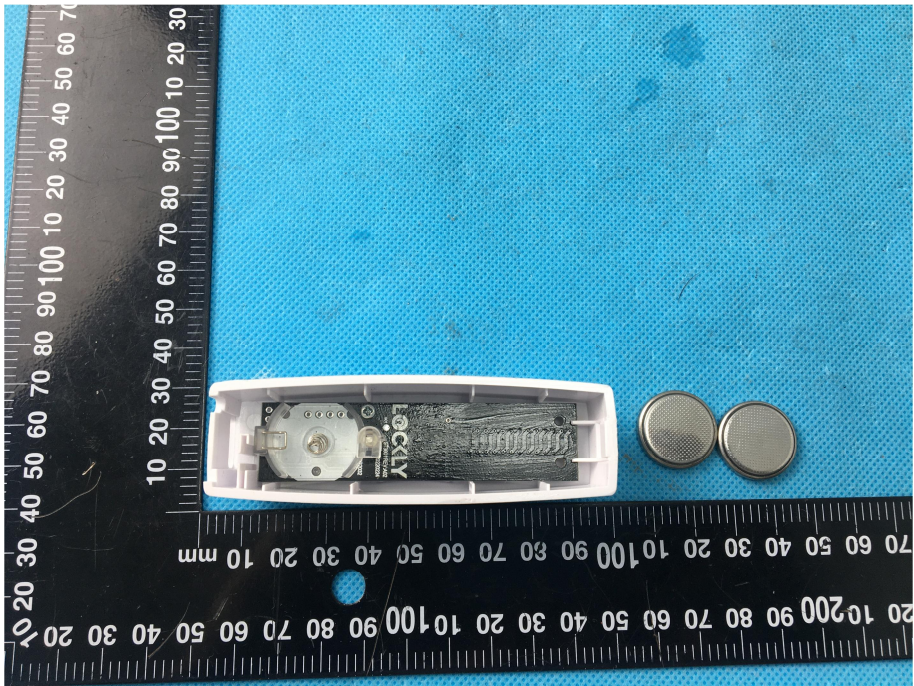

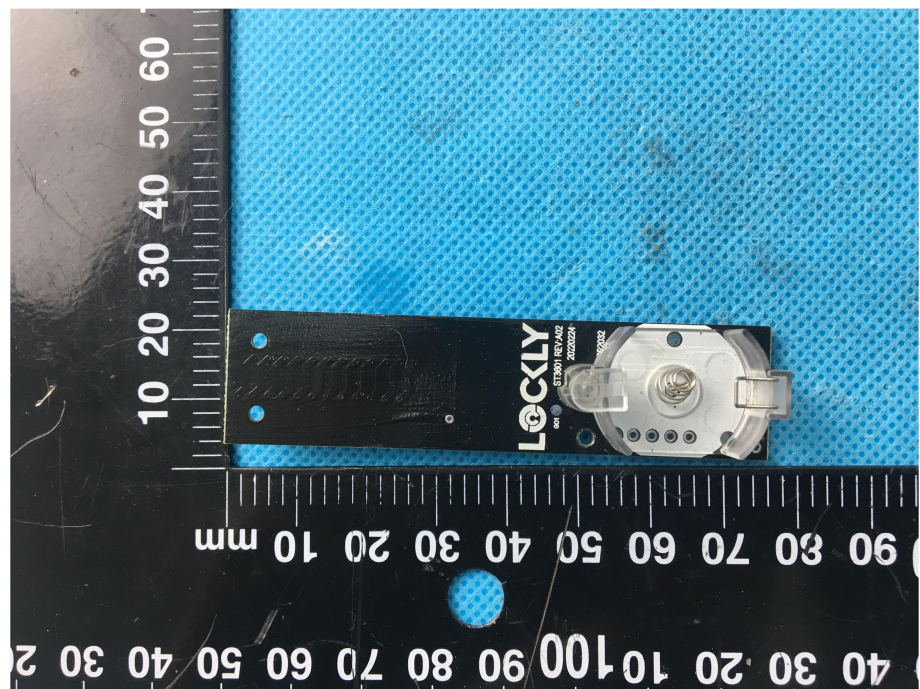

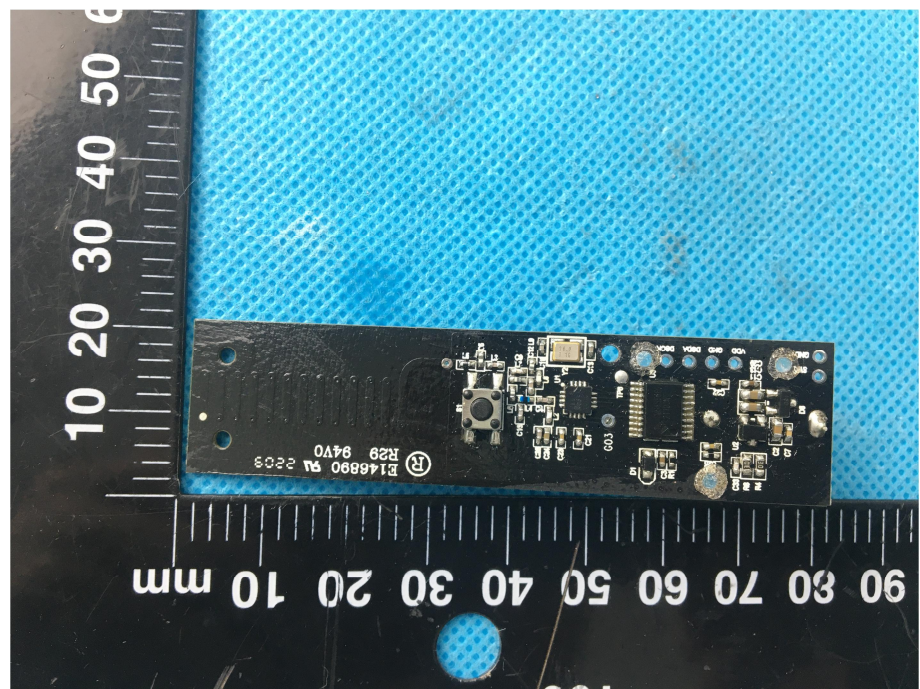

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1	 A photograph showing the top view of a white plastic EUT housing and its internal board. The board is populated with a circular coin cell battery and a black integrated circuit (IC) labeled 'LOCKLY'. A white plastic component with the part number '220124R' is placed above the housing. A black ruler with white markings is positioned vertically to the left of the components for scale.
EUT Housing and Board View 2	 A photograph showing the bottom view of the white plastic EUT housing and its internal board. The board features a circular coin cell battery and a black integrated circuit (IC) labeled 'LOCKLY'. Two additional coin cell batteries are placed to the right of the housing. A black ruler with white markings is positioned vertically to the left of the components for scale.
