Solder Board-Component View 9	 A photograph of a small green printed circuit board (PCB) component, labeled 'P21 PGM001', mounted on a black solder mask. The component is positioned next to a metal ruler with millimeter markings. The ruler shows the component is approximately 4 mm wide and 10 mm long. The component has various surface components, including a central chip, resistors, and a connector on the right side.
Solder Board-Component View 10	 A photograph of the same PCB component from a different angle, showing the bottom side. The component is labeled 'Loctek' and 'P21 PGM001'. It is positioned next to a metal ruler with millimeter markings. The ruler shows the component is approximately 4 mm wide and 10 mm long. The component has various surface components, including a central chip, resistors, and a connector on the right side.
