

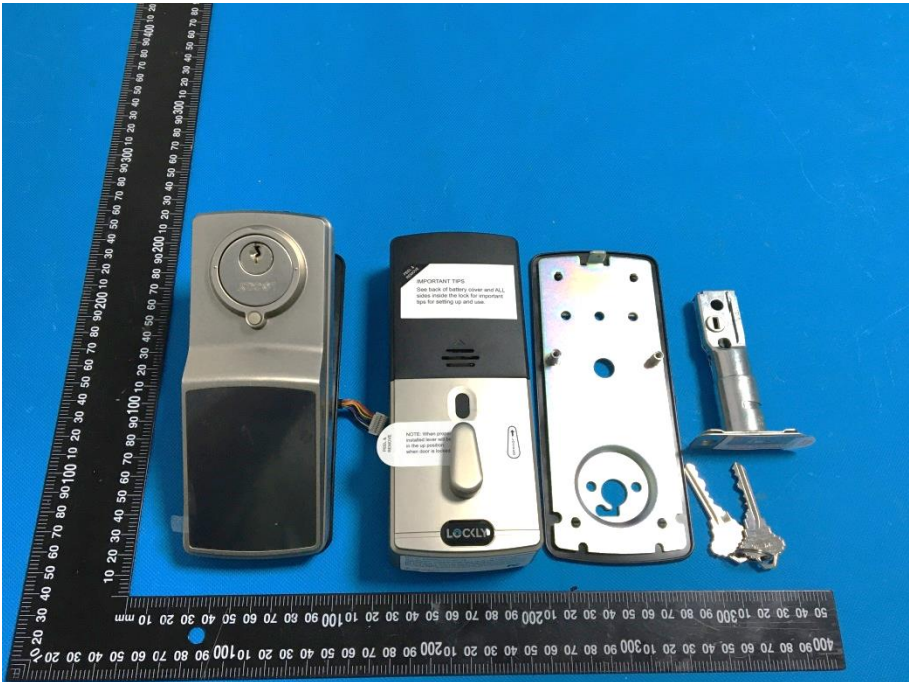

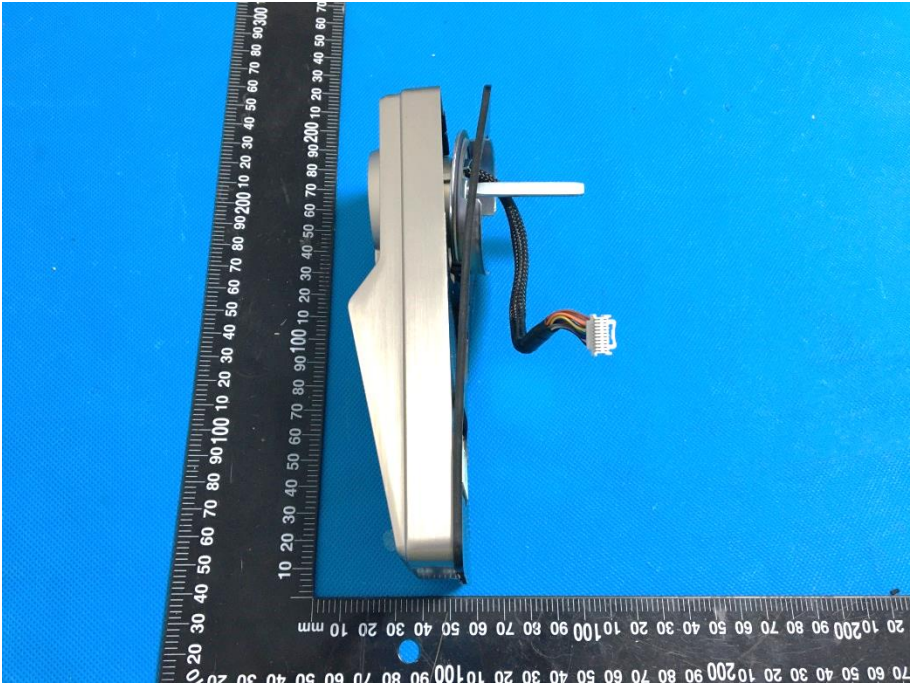

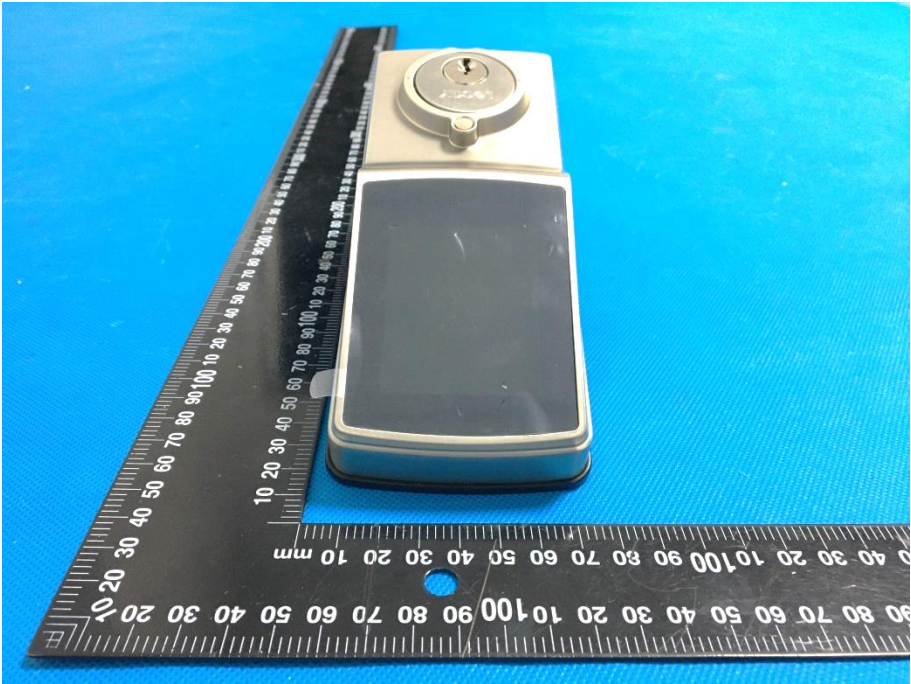

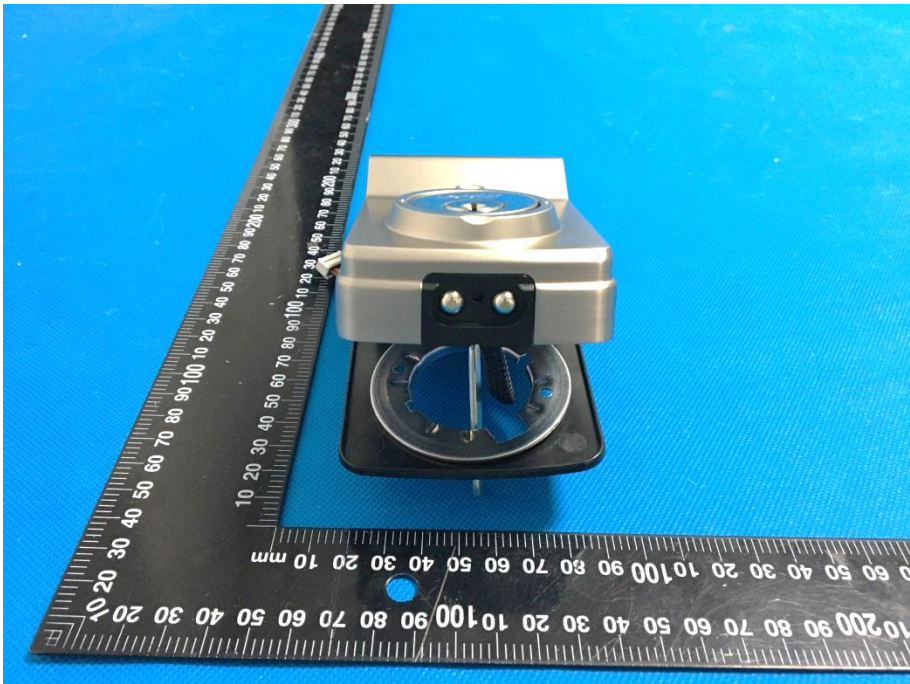

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing the disassembled external components of the device laid out on a blue surface next to a black ruler. From left to right, the items are: a silver cylindrical component with a keyhole; a black rectangular component with a silver handle and a 'LOCKED' indicator; a silver rectangular component with a circular cutout; and a silver metal bracket with two keys. A small white label with text is attached to the black component. The ruler shows measurements in millimeters.
EUT View 2	 A photograph showing the front view of the assembled device. It is a silver rectangular unit with a circular keyhole at the top and a black rectangular area below. A small multi-colored cable is connected to the bottom right. The device is placed on a blue surface next to a black ruler for scale. The ruler shows measurements in millimeters.
